

■ IgA α chain Fc region
■ Albumin
■ Immunoglobulin J chain

IgA α chain Fc region	Albumin
Lys319	Glu82
Gly310	Thr83
Glu313	Arg81
Arg392	Glu505
Glu393	Lys573
Glu389	Lys500

Supplemental Figure 1. Noncovalent molecular interactions between IgA and albumin
 Gray, IgA α chain Fc region; Green, albumin; Purple, immunoglobulin J chain.
 Detailed molecular model creation procedures are described in the text.
