Error in Figure

In the original publication [1], there was a mistake in ** Figure 4. Three dimensional representation of compound 1. (a) Axial orientation of the (5H)-furan-2-one bearing side chain on the ring; (b) Equatorial orientation of the (5H)-furan-2-one bearing side chain on the ring. ** As published. There is a mistake in the 3D structure of Figure 4b. The incorrect figure displays the (5H)-furan-2-one-bearing side chain below the plane of the bicyclic ring system. However, the correct version of Figure 4b should display the (5H)-furan-2-one-bearing side chain above the plane of the bicyclic ring system similar to Figure 4a. The corrected ** Figure 4. Three-dimensional representation of compound 1. (a) Axial orientation of the (5H)-furan-2-one-bearing side chain on the ring. (b) Equatorial orientation of the (5H)-furan-2-one-bearing side chain on the ring. ** Appears below. The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
