## Author Description of the Error and Correction

It came to our attention that, over the course of putting together this article, we inadvertently forgot to include one of our colleagues, Dr. Celia Marginean, who had contributed to the guidelines. That omission was a complete oversight on our part. The correct author list, affiliations, and conflict of interest disclosures appear here.

## CONFLICT OF INTEREST DISCLOSURES

We have read and understood *Current Oncology's* policy on disclosing conflicts of interest, and we declare that we have none.
