

## Supplementary files

**Table S1.** Semi-structured ARES-AP focus group guide

<b>Could you tell us what you think of the ARES-AP programme?</b>
Could you describe the main advantages of this programme? And the main barriers?
What do you think of the different ARES-AP plans proposed for the care of people with chronic health conditions?
What motivates nurses to work with the ARES-AP plans?
What improvements do you think could be made to the ARES-AP programme?
