### Content:

<b>Table S1.</b> Paths and rows of satellite images covered by Landsat in the study region .....	2
<b>Table S2.</b> Product description of remote sensing data.....	2

<b>Figure S1</b> . Maps showing channel morphology dynamics for the main braided Reach A of the Tongtian River during three periods, i.e., 1990-2000 (a), 2000-2010 (b), 2010-2020 (c).....	2
---	---

<b>Figure S2</b> .The same as Figure S1, but for the main braided Reach B. ....	3
---	---

<b>Figure S3.</b> The same as Figure S1, but for the main braided Reach C. ....	4
---	---

<b>Figure S4.</b> The same as Figure S1, but for the minor braided Reach D. A local part highlighted in a colored rectangle is enlarged in an inserted map with a rectangle in the same color. ....	5
---	---

<b>Figure S5.</b> The same as Figure S4, but for the main meandering Reach E. ....	6
--	---

<b>Figure S6.</b> The same as Figure S4, but for the main meandering Reach F. Only the map during 1990-2000 is shown here.....	7
--	---

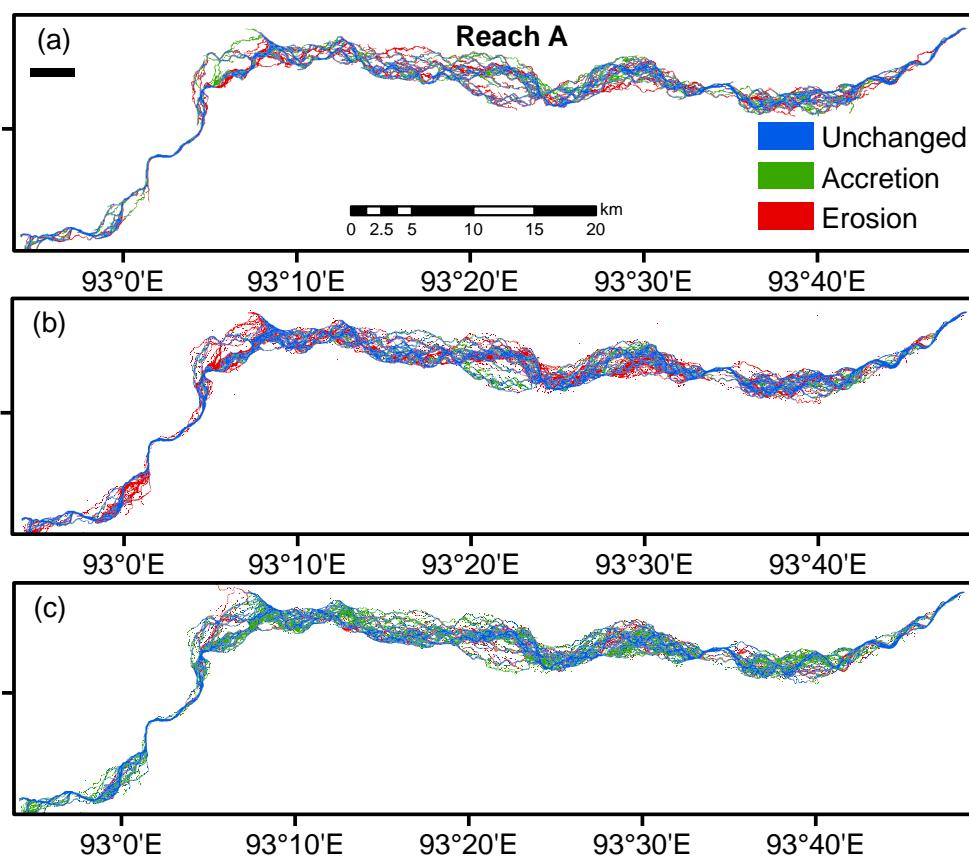

<b>Figure S7.</b> The same as Figure S4, but for the minor meandering Reach G. ....	8
---	---

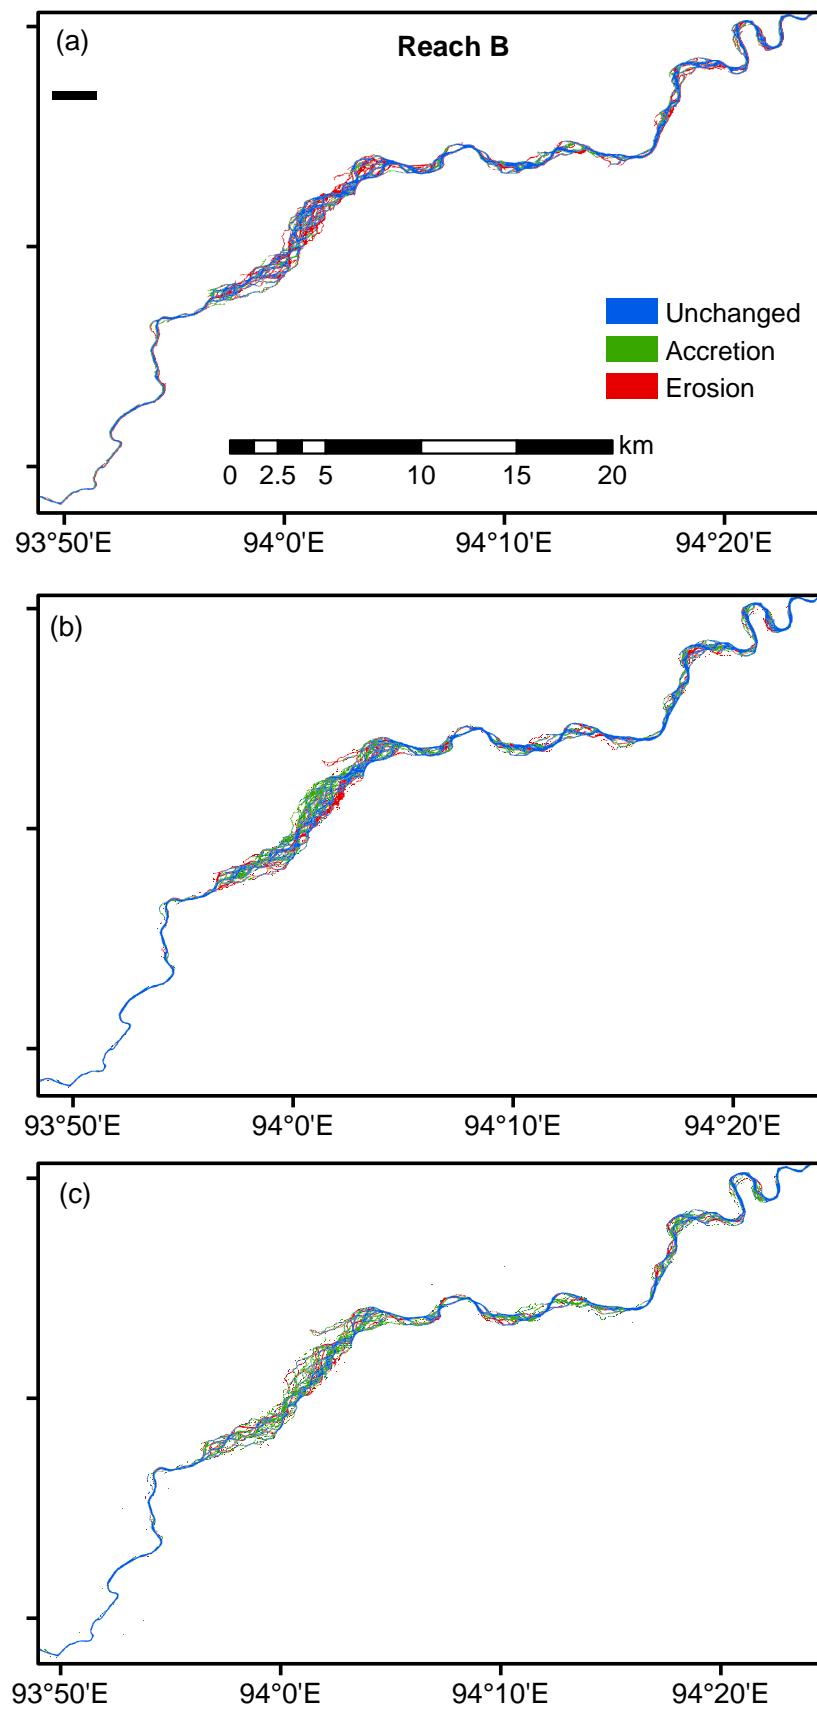

**Table S1.** Paths and rows of satellite images covered by Landsat in the study region.

Path	Row
134	37
135	36
135	37
136	36
136	37
137	36
137	37

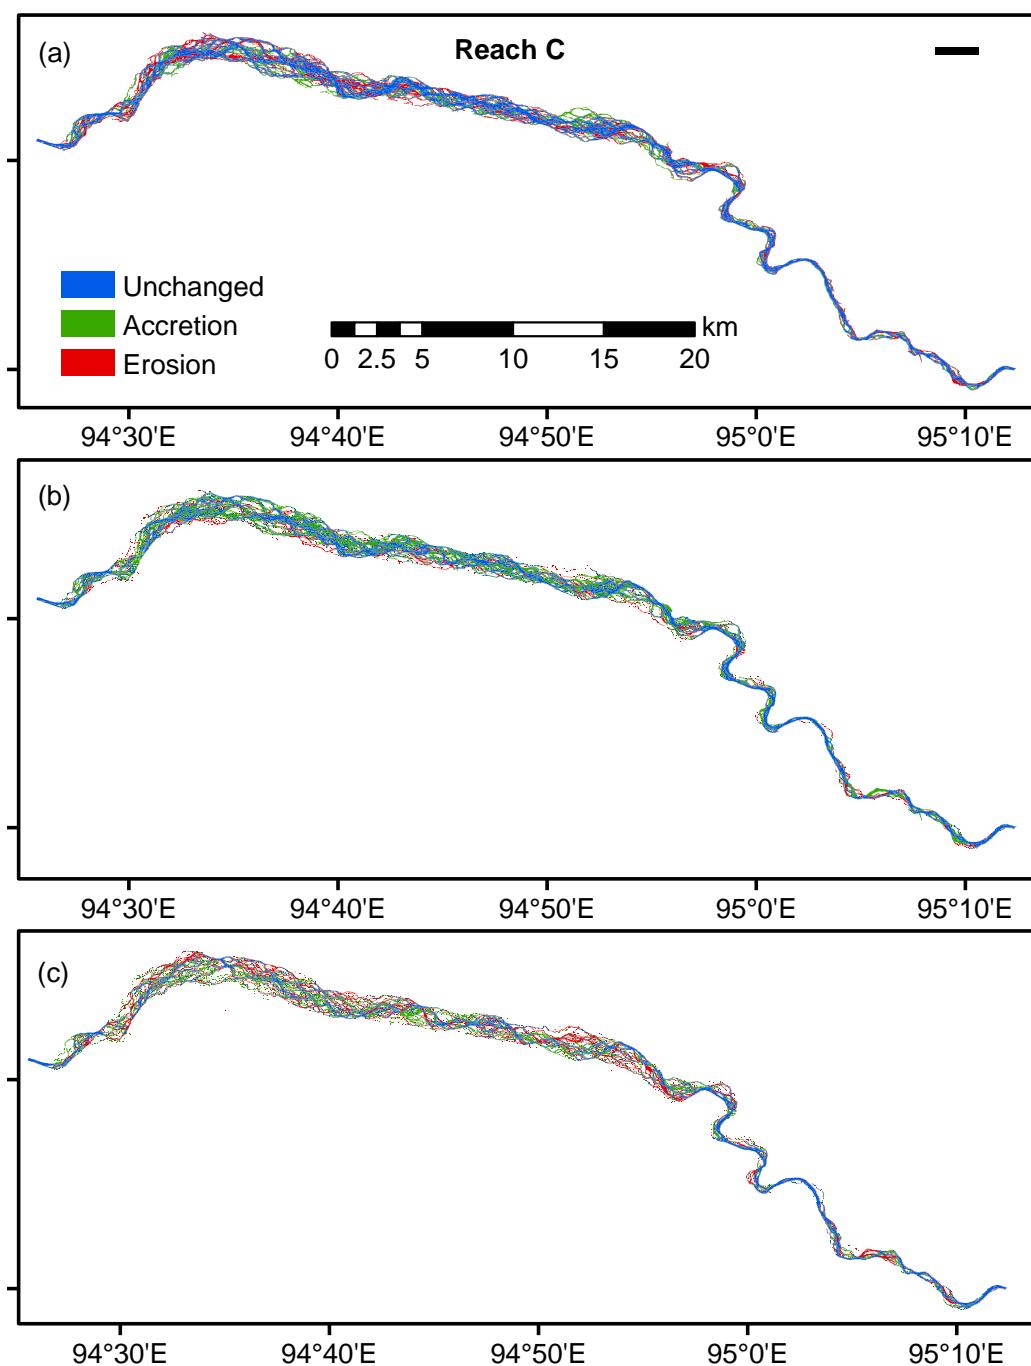

**Table S2.** Product description of remote sensing data.

Data Product	Time Span	Number of images
Landsat4-5 TM	1987.12-1999.07	223
Landsat7 ETM SLC-on	1999.07 -2013.06	526
Landsat8 OLI_TIRS	2013.06 -2021.12	359

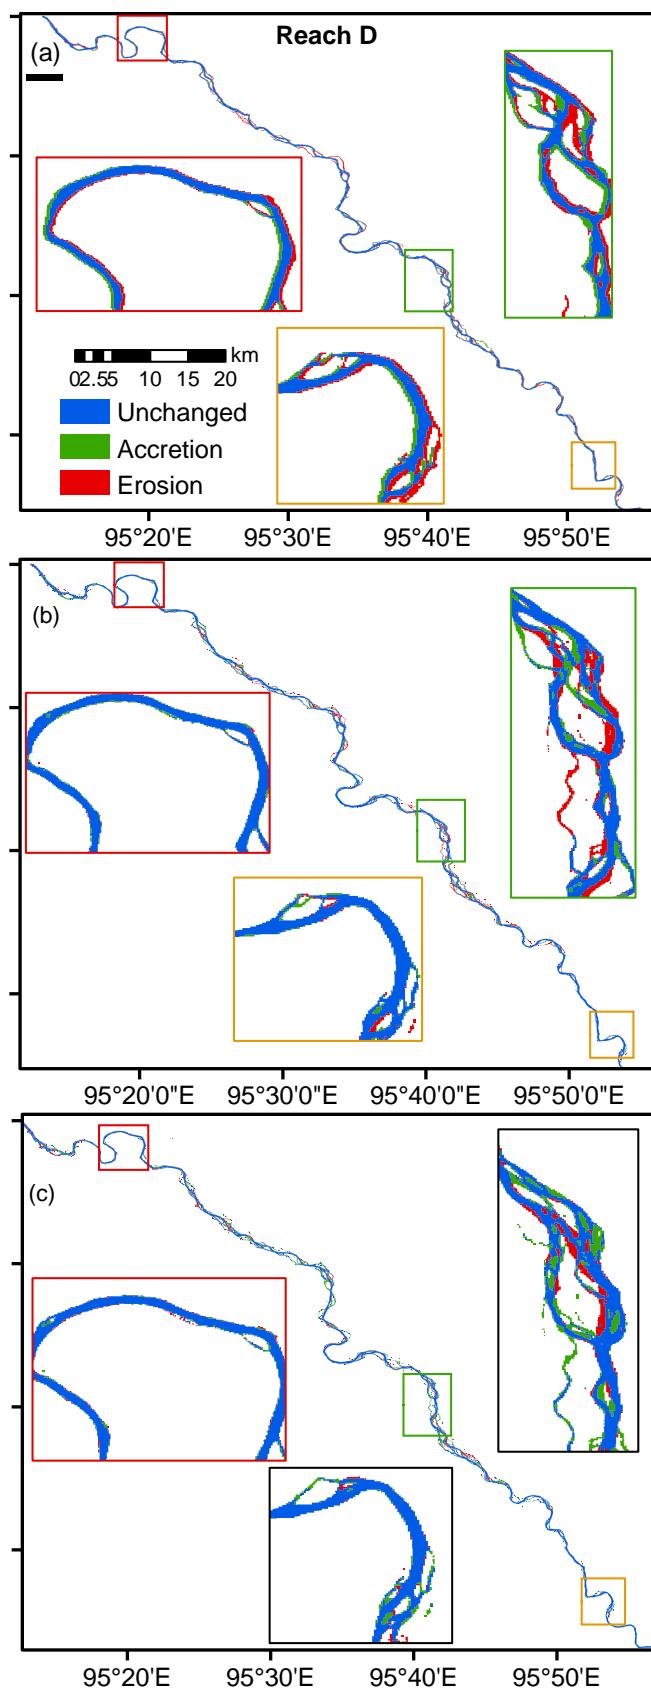

**Figure S1 .** Maps showing channel morphology dynamics for the main braided Reach A of the Tongtian River during three periods, i.e., 1990-2000 (a), 2000-2010 (b), 2010-2020 (c).

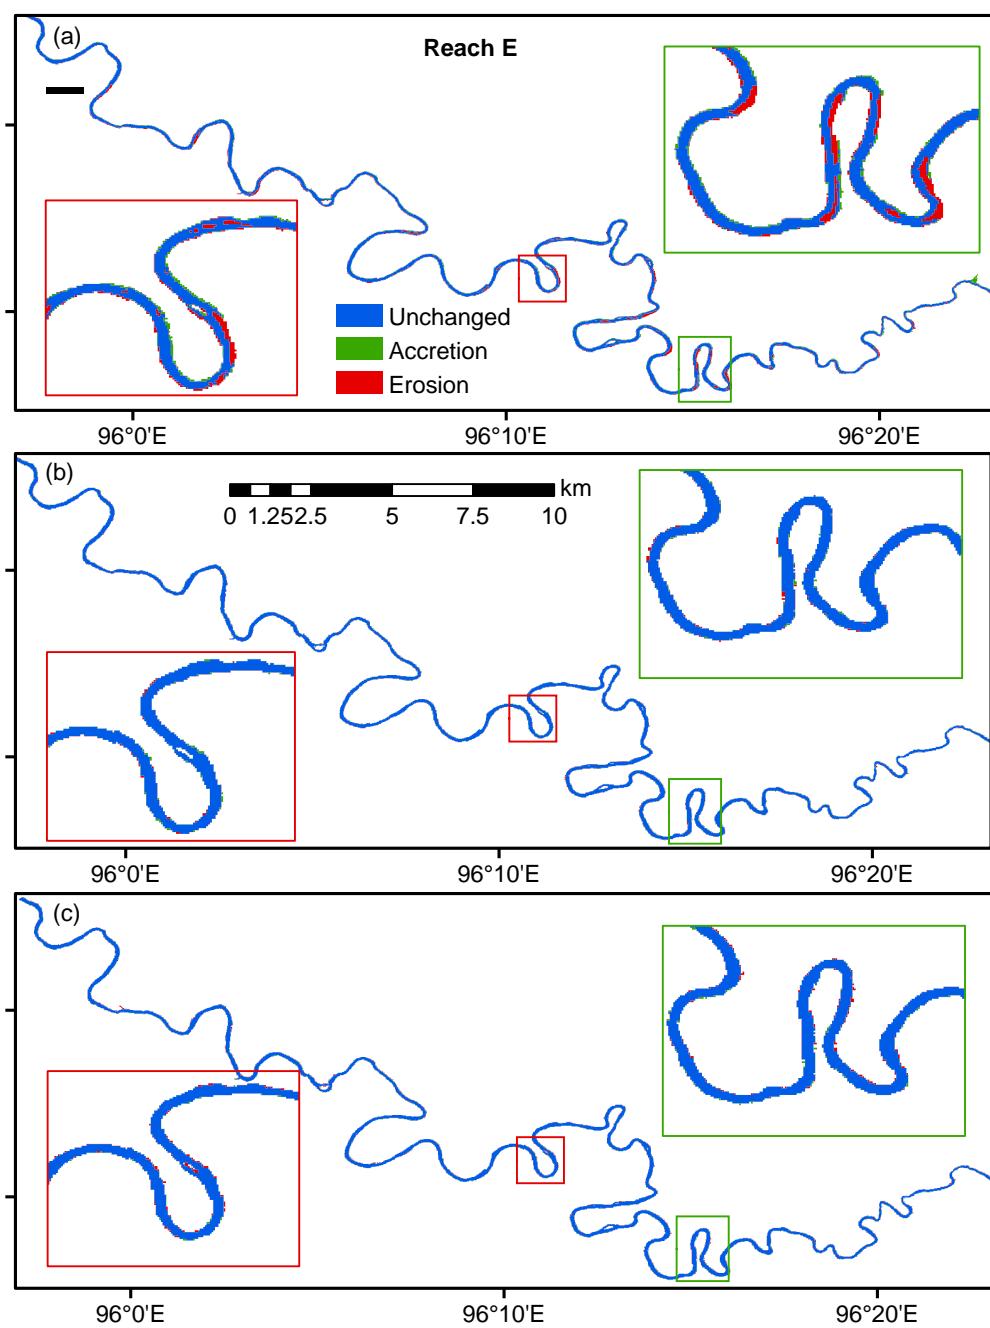

**Figure S2.** (a-c) The same as Figure S1, but for the main braided Reach B.

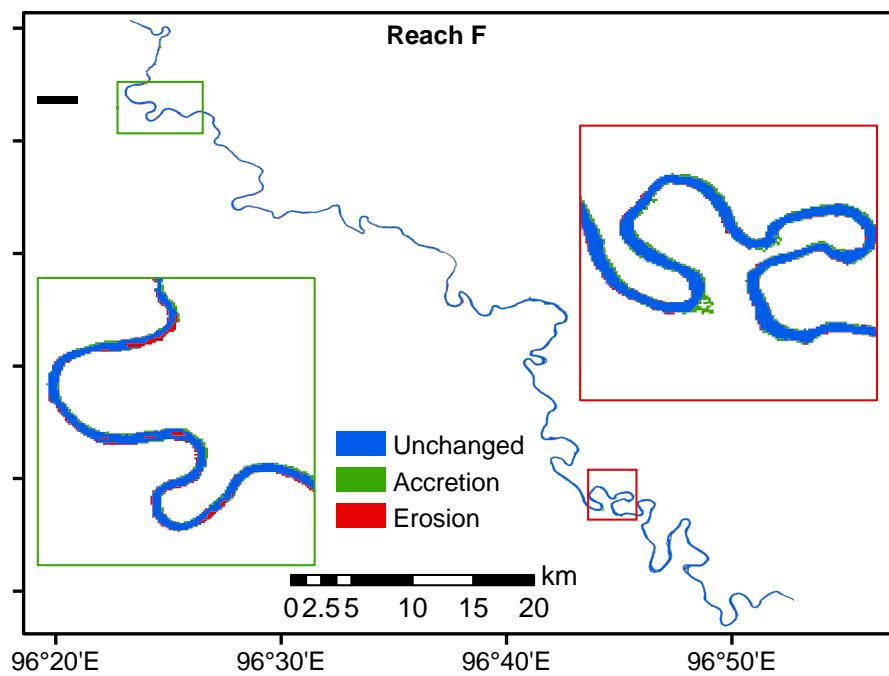

**Figure S3.** (a-c) The same as Figure S1, but for the main braided Reach C.

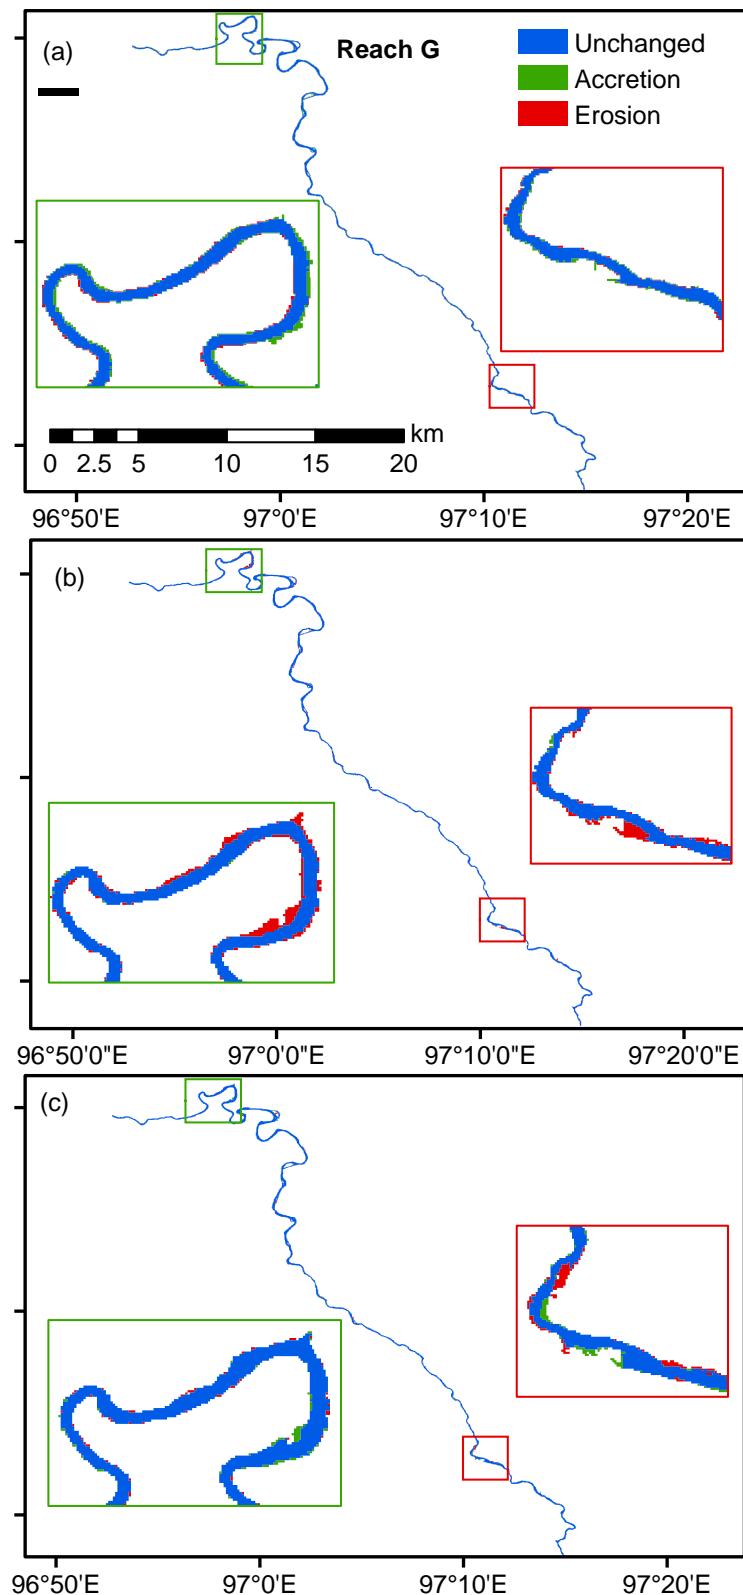

**Figure S4.** (a-c) The same as Figure S1, but for the minor braided Reach D. A local part highlighted in a colored rectangle is enlarged in an inserted map with a rectangle in the same color.

**Figure S5.** (a-c) The same as Figure S4, but for the main meandering Reach E.

**Figure S6.** The same as Figure S4, but for the main meandering Reach F. Only the map during 1990–2000 is shown here.

**Figure S7.** (a-c) The same as Figure S4, but for the minor meandering Reach G.
