Due to a mistake during the production process, there was a spelling error in one of the author names in the original published version [1]. The *Agronomy* editorial office therefore wishes to make the following correction to the paper:

The name of the sixth author “Andrea Baeza Villarroel” should be corrected to “Andrea Baeza Villarroel”.

We would like to apologize for any inconvenience caused to the authors and readers by this mistake. We will update the article and the original version will remain available on the article webpage, with a reference to this Erratum.
