Missing Funding

In the original publication [1], the description of the funder, “This research was funded by Institut Agricole Régional, Reservaqua Project (Interreg V-A Italy–Switzerland Co-operation Programme 2014–2020)” was incorrect. The correct wording is as follows: “RESERVAQUA project was co-financed by the European Union, European Regional Development Fund, the Italian State, the Swiss Confederation and the Cantons, under the Interreg V-A Italy-Switzerland Cooperation Programme 2014–2020”. The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
