

## Supplementary Materials:

**Figure S1.** The Top 20 pathway of the up and down pathway of KEGG Enrichment between HS and TN dairy cows. (a). The top-20 pathways of HS-vs.-TN (UP) of KEGG enrichment. (b). The top-20 pathways of HS-vs.-TN (Down) of KEGG enrichment.

**Figure S2.** The pathway of antigen processing and presentation—*Bos taurus* (cow). The genes in the red box are significantly regulated by heat stress.

**Table S1.** The primer information in PCR assay.
