Table S2: Total gaze duration (s) during the attention tests. Wilcoxon signed-rank test and N=10 for each test. ($\overline{X}$ = Mean; **S.E.** = Standard Error; **C.V.** = Coefficient of variation); SVAT = Social Visual Attention Test, VAT= Visual Attention Test, AAT = Auditory Attention Test.

	Visual Attention							Auditory Attention						
	S.V.A.T.							*A.A.T conspecific stim*						
Social Attention	**Max.**		**Min.**		**T**	**p-value**	**Sign**	**Before Stim**		**After Stim**		**T**	**p-value**	**Sign**
