

## SUPPLEMENTARY MATERIALS

In these supplementary materials, the different curves for each repetition for each case can be found.

The figures presented consists on the load applied to the specimens versus the displacement of the extensometer set in the center.

### List of figures

Figure 1. Load - displacement curves for cotton yarns.....	2
Figure 2. Load - displacement curves for EPCO yarns.....	2
Figure 3. Load - displacement curves for PESCO yarns.....	2
Figure 4. Load - displacement curves for GACO yarns.....	3
Figure 5. Load - displacement curves for GAUCO yarns .....	3
Figure 6. Load - displacement curves for COLTURCO yarns .....	3
Figure 7. Load - displacement curves for COLACCO yarns .....	4
Figure 8. Load - displacement curves for hemp yarns .....	4
Figure 9. Load - displacement for EPHE yarns.....	4
Figure 10. Load - displacement curves for PESHE yarns.....	5
Figure 11. Load - displacement curves for GAHE yarns.....	5
Figure 12. Load - displacement curves for GAUHE yarns.....	5
Figure 13. Load - displacement curves for COLTURHE yarns .....	6
Figure 14. Load - displacement curves for COLACHE meshes.....	6
Figure 15. Load - displacement curves for EPCO meshes.....	7
Figure 16. Load - displacement curves for PESCO meshes .....	7
Figure 17. Load - displacement for GACO meshes.....	7
Figure 18. Load - displacement curves for COLTURCO meshes.....	8
Figure 19. Load - displacement curves for EPHE meshes.....	8
Figure 20. Load - displacement curves for PESHE meshes.....	8
Figure 21. Load - displacement curves for GAHE meshes .....	9
Figure 22. Load - displacement curves for COLACHE meshes .....	9
Figure 23. Load - displacement curves for EPCO FRCMs .....	10
Figure 24. Load - displacement curves for PESCO FRCMs .....	10
Figure 25. Load - displacement curves for GACO FRCMs .....	10
Figure 26. Load - displacement curves for COLTURCO FRCMs.....	11
Figure 27. Load - displacement curves for EPHE FRCMs.....	11
Figure 28. Load - displacement curves for PESHE FRCMs.....	11
Figure 29. Load - displacement curves for GAHE FRCMs .....	12
Figure 30. Load - displacement curves for COLACHE FRCMs .....	12

## YARNS - INDIVIDUAL CASES

Figure 1. Load - displacement curves for cotton yarns

Figure 2. Load - displacement curves for EPCO yarns

Figure 3. Load - displacement curves for PESCO yarns

2028753- Vegetal-FRCM failure under partial interaction mechanism

Figure 4. Load - displacement curves for GACO yarns

Figure 5. Load - displacement curves for GAUCO yarns

Figure 6. Load - displacement curves for COLTURCO yarns

2028753- Vegetal-FRCM failure under partial interaction mechanism

Figure 7. Load - displacement curves for COLACCO yarns

Figure 8. Load - displacement curves for hemp yarns

Figure 9. Load - displacement for EPHE yarns

2028753- Vegetal-FRCM failure under partial interaction mechanism

Figure 10. Load - displacement curves for PESHE yarns

Figure 11. Load - displacement curves for GAHE yarns

Figure 12. Load - displacement curves for GAUHE yarns

2028753- Vegetal-FRCM failure under partial interaction mechanism

Figure 13. Load - displacement curves for COLTURHE yarns

Figure 14. Load - displacement curves for COLACHE yarns

### MESHES - INDIVIDUAL CASES

Figure 15. Load - displacement curves for EPCO meshes

Figure 16. Load - displacement curves for PESCO meshes

Figure 17. Load - displacement for GACO meshes

2028753- Vegetal-FRCM failure under partial interaction mechanism

Figure 18. Load - displacement curves for COLTURCO meshes

Figure 19. Load - displacement curves for EPHE meshes

Figure 20. Load - displacement curves for PESHE meshes

2028753- Vegetal-FRCM failure under partial interaction mechanism

Figure 21. Load - displacement curves for GAHE meshes

Figure 22. Load - displacement curves for COLACHE meshes

### FRCM - INDIVIDUAL CASES

Figure 23. Load - displacement curves for EPCO FRCMs

Figure 24. Load - displacement curves for PESCO FRCMs

Figure 25. Load - displacement curves for GACO FRCMs

2028753- Vegetal-FRCM failure under partial interaction mechanism

Figure 26. Load - displacement curves for COLTURCO FRCMs

Figure 27. Load - displacement curves for EPHE FRCMs

Figure 28. Load - displacement curves for PESHE FRCMs

2028753- Vegetal-FRCM failure under partial interaction mechanism

Figure 29. Load - displacement curves for GAHE FRCMs

Figure 30. Load - displacement curves for COLACHE FRCMs
