

Supplementary Materials

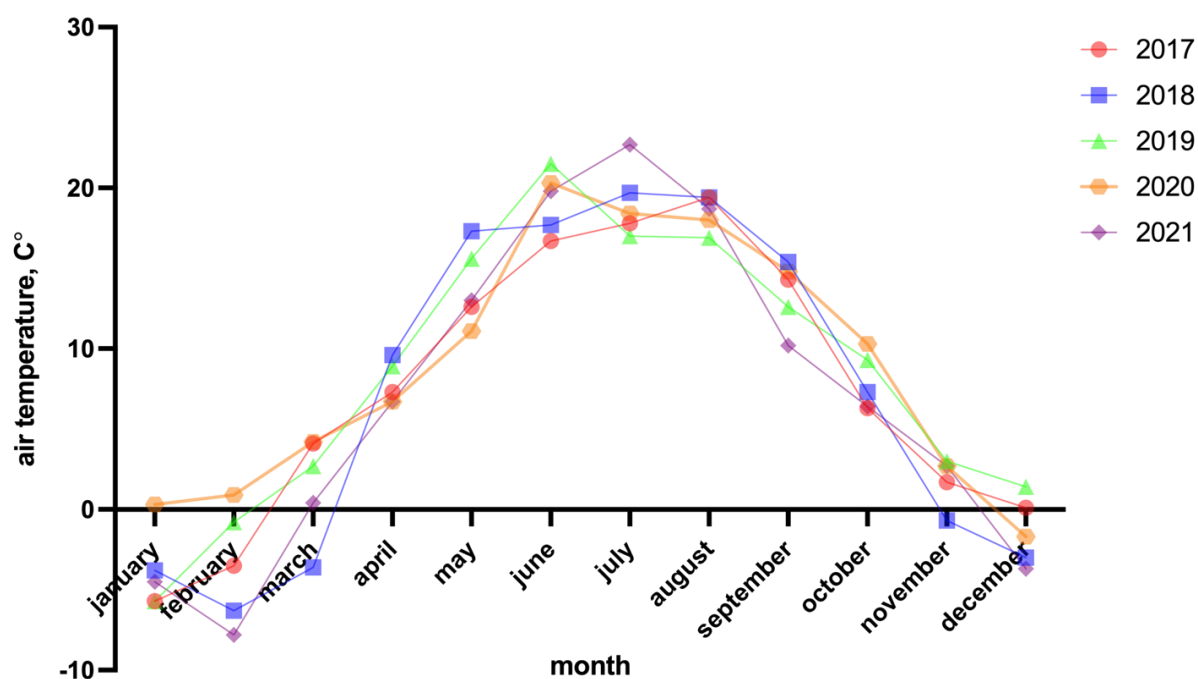

Figure S1. Variation of air temperature in polluted areas (OLKH and POZH). –

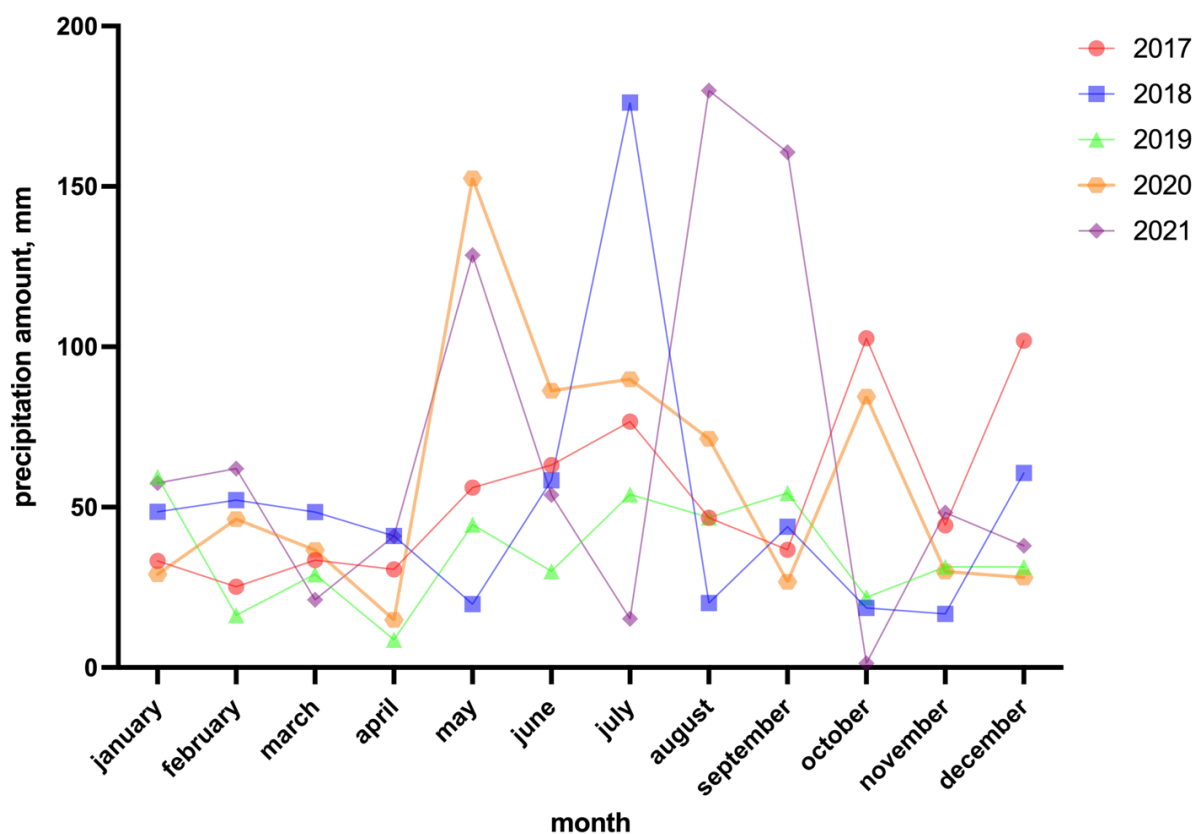

Figure S2. Variation in the amount of precipitation in polluted areas (OLKH and POZH).

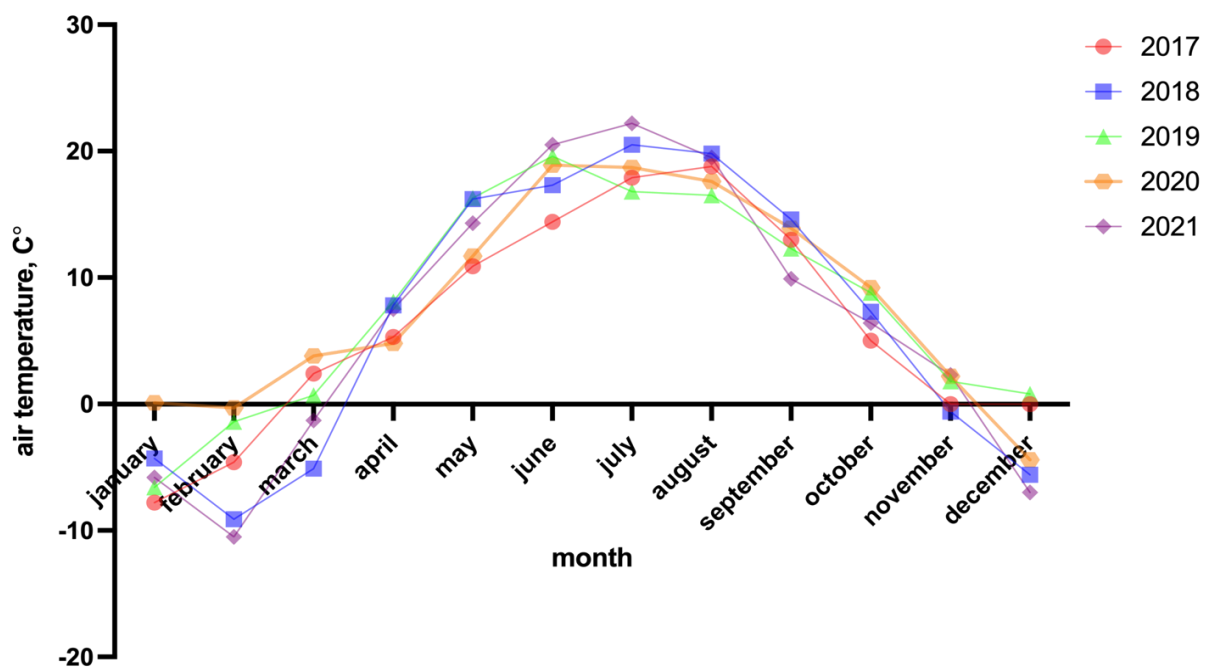

Figure S3. Variation of air temperature in pollution-free areas (K1 and K2).

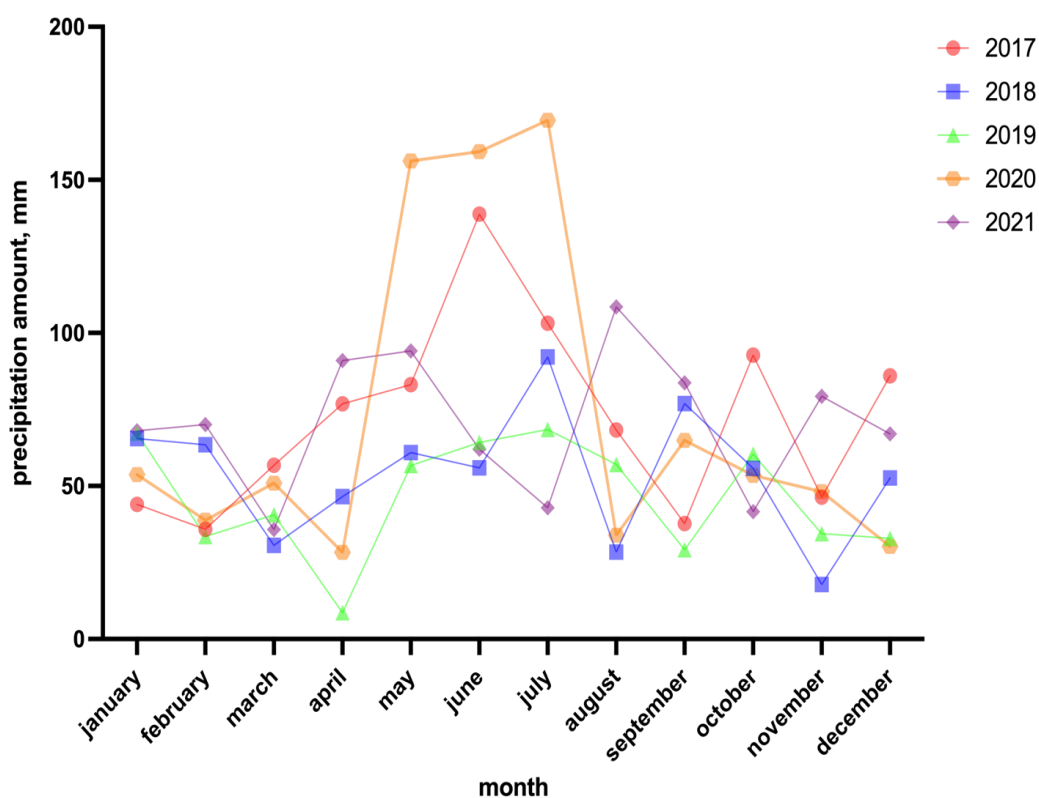

Figure S4. Variation in the amount of precipitation in pollution-free areas (K1 and K2).

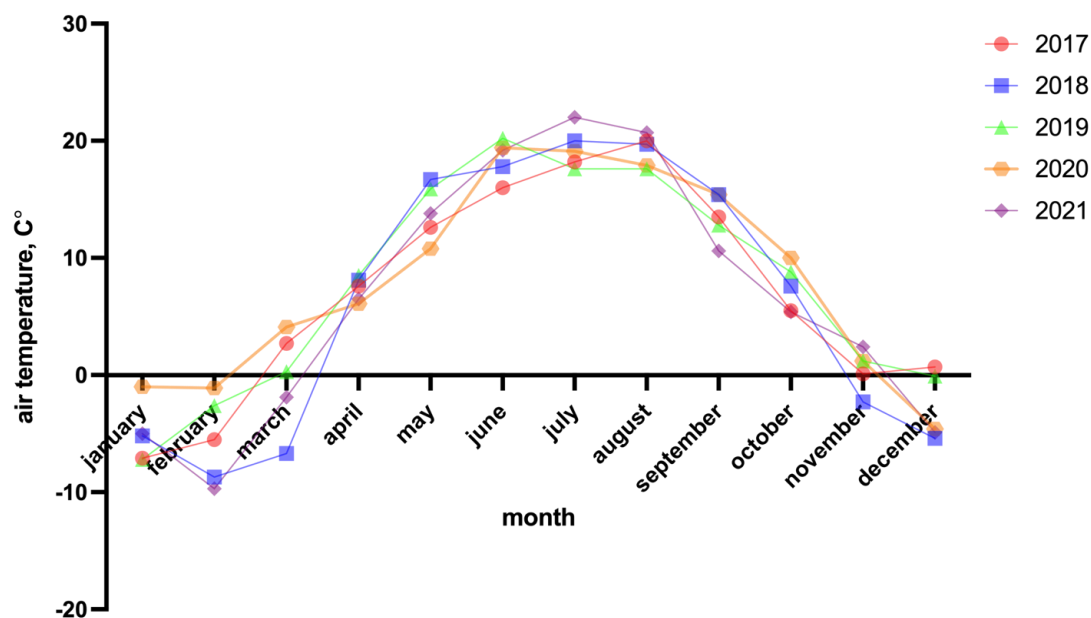

Figure S5. Variation of air temperature in pollution-free areas (K3).

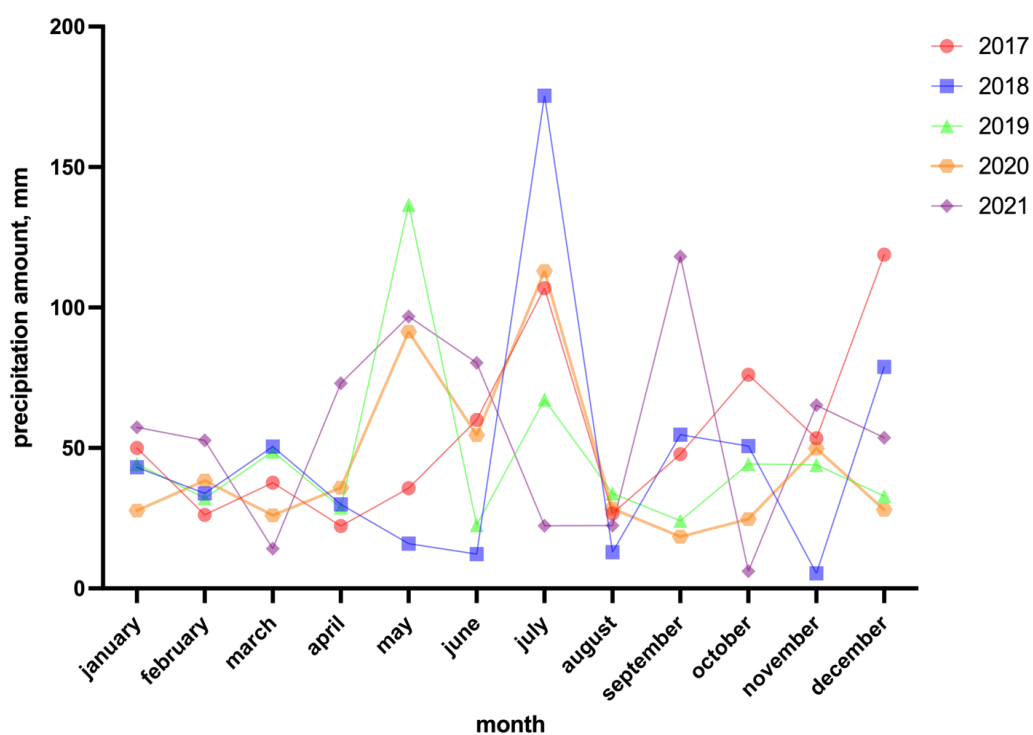

Figure S6. Variation in the amount of precipitation in pollution-free areas (K3).

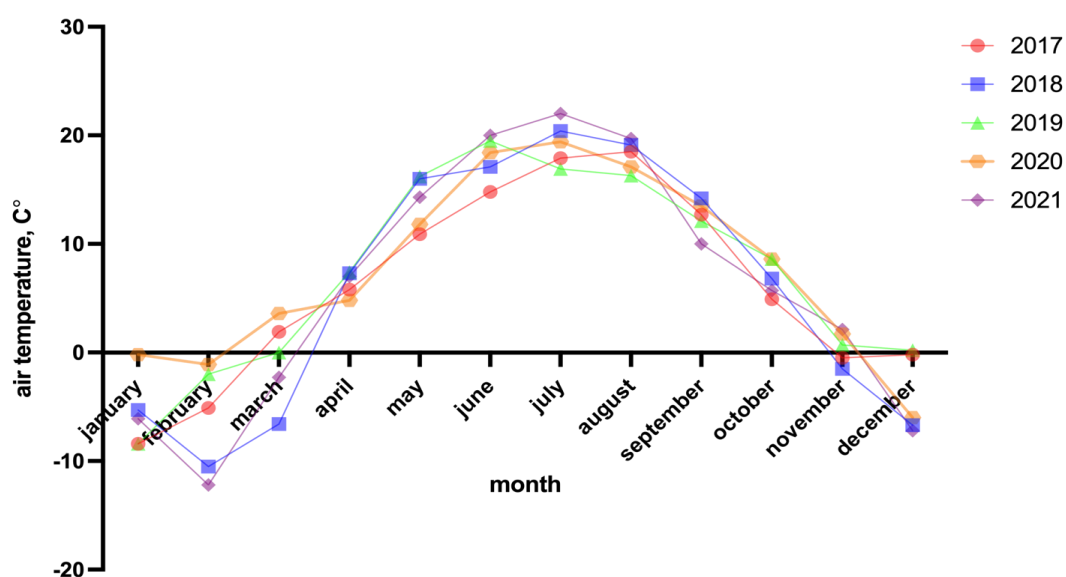

Figure S7. Variation of air temperature in pollution-free zones (K4).

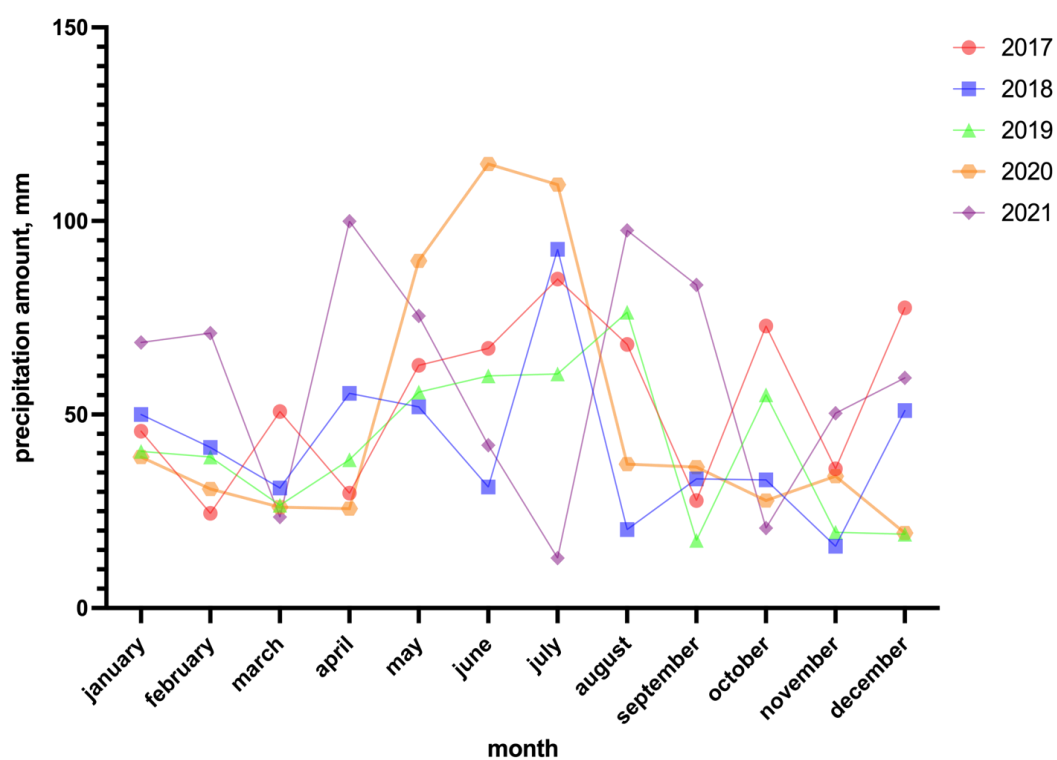

Figure S8. Variation in the amount of precipitation in pollution-free areas (K4).
