---

The authors would like to make the following corrections in relation to the published paper (Parker and Spennemann 2020). The changes are as follows:

(1) Adding a new section

**Acknowledgments:** The authors are indebted to the participants of the survey for their time and the data they provided. Gail Fuller (Spatial Area Network, Charles Sturt University) kindly posted and hosted the questionnaire on the Charles Sturt University SurveyMonkey<sup>®</sup> account. Prue Gonzalez (School of Environmental Sciences, Charles Sturt University, PhD) acted as co-supervisor for Murray Parker's Honours thesis. She commented on final draft chapters on which this paper relies. The data were reanalysed for this paper.

This Acknowledgments section was inadvertently omitted in the published version. The authors apologize for any inconvenience caused to the readers by these changes. The changes do not affect the scholarly results.
