

COVID-19 Pandemic and its Impact on Educational Practices

This questionnaire aims to investigate students' experiences and views on the distance education period that followed the schools' lockdown due to the COVID-19 pandemic. Your responses to this survey are extremely valuable contributions to our research and your effort and time spent are sincerely appreciated. The survey should take approximately 10 minutes to complete.

It is anonymous and all your responses will remain strictly confidential. No identifying information such as name, date of birth, or affiliation is requested.

The data collected from this questionnaire will be used solely for the purposes of this research.

By choosing to continue with the completion of the questionnaire, you declare that you understand the purposes of this research and that you give your consent to participate in the study.

Thank you for your time.
