## **Supplementary Materials S2: Excluded records**

### **Excluded records from the first screen (654 excluded of 1057 screened)**

General reasons for exclusion during first screen:

- Duplicated records
  - Pediatric patients only
  - Non-target NET type
  - Non-English text
  - No outcome data of interest
  - Preclinical study
  - Not treated with [<sup>177</sup>Lu]Lu-DOTA-TATE
  - [<sup>177</sup>Lu]Lu-DOTA-TATE used in tandem/combination with another anticancer agent
