

Experiences, Perceptions, and Interests Questionnaire (EPIQ)

(Version 1.5)

This questionnaire will ask you about your experiences and perceptions regarding caregiving. Please answer all questions to the best of your knowledge but do not "overthink" your answers. Your first intuition is usually the best answer.

This questionnaire should take you less than 15 minutes to complete. If you have any questions, please ask us at any time or email us at OnlineBabyLab@pitt.edu.
