

S1. AD/124567 without treatment and with glucose (bright field).

S2. AD/124567 without treatment and with glucose (fluorescence).

S3. AD/124567 without treatment and without glucose (bright field).

S4. AD/124567 without treatment and without glucose (fluorescence).

S5. AD/1234567 without treatment and with glucose (bright field).

S6. AD/1234567 without treatment and with glucose (fluorescence).

S7. AD/124567 + DGB1 (bright field).

S8. AD/124567 + DGB1 (fluorescence).

S9. AD/124567 + DGB2 (bright field).

S10. AD/124567 + DGB2 (fluorescence).

S11. AD/124567 + DGB3 (bright field).

S12. AD/124567 + DGB3 (fluorescence).

S13. AD/124567 + DGB4 (bright field).

S14. AD/124567 + DGB4 (fluorescence).

S15. AD/124567 + DGB5 (bright field).

S16. AD/124567 + DGB5 (fluorescence).

S17. AD/124567 + DGB6 (bright field).

S18. AD/124567 + DGB6 (fluorescence).

S19. AD/124567 + DGB7 (bright field).

S20. AD/124567 + DGB7 (fluorescence).

S21. AD/124567 + digoxin (bright field).

S22. AD/124567 + digoxin (fluorescence).
