Received: 30 August 2019; Accepted: 2 September 2019; Published: 4 September 2019

The article [1] in *Magnetochemistry* will be marked as retracted. The Editorial Board have re-examined the paper post-publication and found that it contains no scientific contribution and that *Magnetochemistry* is not the appropriate forum for this kind of “opinion” publication. *Magnetochemistry* is devoted to magnetic studies to which the subject of the paper does not relate.

MDPI is a member of the Committee on Publication Ethics and takes the responsibility to enforce strict ethical policies and standards very seriously. To ensure the addition of only high-quality scientific works to the field of scholarly publication, [1] is retracted and shall be marked accordingly. We apologize to the readership of *Magnetochemistry* for any inconvenience caused.
