

Table S1. Survey questions for the regression covariates.

Variable Name	Survey Question	Values/Levels
Level of Education	What is your highest level of education completed?	0 = Less than high school 1 = High school 2 = Skill/technical certification 3 = Some college 4 = Undergraduate degree 5 = Graduate/post-bac study
Anxiety/Depression	Are you currently suffering from ongoing/persistent (>6 months) anxiety or depression?	0 = No 1 = Yes
Medical Issues	Do you have any of the following ongoing medical issues: high blood pressure, diabetes, cardiovascular disease, or lower urinary tract problems or other problems likely to interfere with sexual response? If yes, are you taking medication for treatment of the following medical issue(s)?	0 = No 1 = Yes 0 = Not Applicable 1 = No 2 = Yes 3 = Specify
Importance/Interest in Sex	Please rate the <i>general</i> importance of sex for, that is, not distinguishing whether with a partner or through masturbation. Please rate your overall level of interest in and/or desire for sex, that is, not distinguishing whether with a partner or through masturbation.	1 = Not at all important 5 = Very important 1 = Not interested 5 = Very interested
Frequency of Partnered Sex	Considering your history with your current or most recent (primary) sexual partner, about how often do you or did you have sex with your partner? (Choose only one)	0 = NA 1 = Never 2 = Almost never 3 = Less than once a month 4 = About once a month 5 = About 1 time every 2 weeks 6 = About 1 time per week 7 = 2-3 times per week 8 = 4-6 times per week 9 = About once a day 10 = More than once a day
Sexual Relationship Satisfaction	How satisfied are you with the <i>SEXUAL</i> aspects of your current primary sexual relationship?	0 = NA: I am not in a sexual relationship at this time 1 = Not at all satisfied/low quality 5 = Very satisfied/high quality
General Relationship Satisfaction	Beyond sexual issues, how satisfied are you with the <i>OVERALL</i> aspects of your current primary relationship?	0 = NA: I am not in a relationship at this time or I have no broader relationship with this individual – it is only about sex 1 = Not at all satisfied/low quality 5 = Very satisfied/high quality
Frequency of Masturbation	About how often do you masturbate?	0 = Never 1 = Almost never 2 = Less than once a month 3 = About once a month 4 = About 1 time every 2 weeks 5 = About 1 time per week 6 = About 2-3 times per week 7 = About 4-6 times per week 8 = About once a day 9 = About 2-3 times per day 10 = More than 4 times per day
Pornography Use (Masturbation)	Using the past 12-24 months as your timeframe, have you used erotic materials (e.g., print, video, internet, audio) when you masturbate? About what percent of the time do you use erotic materials when you masturbate?	0 = NA: I do not masturbate 1 = No 2 = Yes 0 = Never or NA 1 = Rarely or less than 15% 2 = About 15-40%

3 = About 40-60%
 4 = About 60-85%
 5 = Very often or more than 85%

During partnered sex, how do you rate your confidence that you could get and keep an erection?

0 = NA: I have never had sexual activity with a partner
 1 = Very low
 2 = Low
 3 = Moderate
 4 = High
 5 = Very high

During partnered sex, how often are your erections hard?

0 = NA: I have never had sexual activity with a partner
 1 = Almost never or never
 2 = A few times (less than half the time, about 25%)
 3 = Sometimes (about half the time)
 4 = Most times (more than half the time, about 75%)
 5 = Almost always or always

Erectile Function

During partnered sex, how often are you able to maintain your erection after you have begun having sex with your partner?

0 = NA: I have never had sexual activity with a partner
 1 = Almost never or never
 2 = A few times (less than half the time, about 25%)
 3 = Sometimes (about half the time)
 4 = Most times (more than half the time, about 75%)
 5 = Almost always or always

During partnered sex, how difficult is it to maintain your erection to completion, that is, to ejaculate (assuming you want to)?

0 = NA: I have never had sexual activity with a partner
 1 = NA: I have had sexual activity with a partner, but I choose not to ejaculate / reach orgasm due to personal beliefs.
 2 = Extremely difficult
 3 = Very difficult
 4 = Difficult
 5 = Slightly difficult
 6 = Not difficult

Table S2. Survey questions for the outcome variables related to Delayed/Inhibited Ejaculation.

Variable Name	Survey Question	Values/Levels
Difficulty Reaching Ejaculation	During partnered sex, do you ever have difficulty reaching orgasm? (1 = almost never, 5 = almost always)	1 = NA: I have never had sexual activity with a partner 2 = NA: I have had sexual activity with a partner but I choose not to ejaculate / reach orgasm due to personal beliefs. 3 = 1 4 = 2 5 = 3 6 = 4 7 = 5
% of Time Reaching Ejaculation	Estimate how often sex with a partner typically ends in (or ended in) orgasm for you by placing an X on the line below. Base your answer on your current or most recent primary sexual partner. If you have never had a sexual partner, have not had any sexual activities with your partner, or if you choose not to reach orgasm, select NA (not applicable). {*ON THE ONLINE SURVEY, WE USE MULTIPLE CHOICE WITH NA=0, 0% (Never)=1, 10%=2, 20%=3...etc.}	0 = NA 1 = 0% 11 = 100%
