Aerospace established the Best Paper Awards to recognize its best published original research articles.

Nominations were selected by the Editorial Office of *Aerospace* based on the number of citations, views and downloads from the website. All research articles published in 2018 were eligible for consideration. The selection committee was chaired by the Editor-in-Chief, Prof. Dr. Konstantinos Kontis, and supported by the Editorial Board Members. They examined each paper and expressed their recommendations for the ranking of the “*Aerospace* Best Paper Awards” 2018.
