

aerospace

Dear Colleagues,

We are pleased to announce that *Aerospace* will be granting the Travel Award to three junior scientists. The applications will be assessed by an Evaluation Committee consisting of senior scholars from the *Aerospace* Editorial Board.

This award provides financial support for the winners to attend an international conference in the field of aerospace science, engineering and technology, disclosing theoretical, fundamental and applied results linked to potential applications that are related to research, design, manufacture, operations, control and maintenance of aircraft and spacecraft to be held during July 2023 to June 2024, in order to hold a presentation, present a poster, or both.

2023 TRAVEL AWARD

FOR POSTDOCTORAL FELLOWS OR PHD STUDENTS

Candidate Requirements:

- Postdoctoral fellows or PhD students.
- Plans to attend an international conference held during July 2023 to June 2024 (oral presentation or poster).

Required Application Documents:

- Information of the conference the applicant is planning to attend and the abstract that will be submitted.
- Curriculum Vitae and list of publications.
- Justification letter describing the focus of the research (max. 800 words).
- Letter of recommendation from the supervisor, research director, or department head, which also confirms the applicant's status as a postdoctoral fellow/PhD student.

Each winner will be awarded CHF 500 and a certificate.

Please submit your applications for the *Aerospace* 2023 Travel Award online by 31 May 2023. Prizes will be awarded at the end of June 2023 and announced on the *Aerospace* website.
