Dear colleagues,

We are pleased to announce the winner of the *Animals* 2021 Best Ph.D. Thesis Award, which recognises the most highly anticipated academic potential thesis among PhD students.

## 2021 BEST PH.D. THESIS AWARD WINNER

The award has been granted to:

**“Visual Illusions as a Tool to Understand How Vertebrates See the World”**

By Maria Santacà, University of Padova, Italy

The winner will receive CHF 1000, a certificate, and an offer to publish a featured paper in *Animals* with the article processing charge (APC) waived before the end of 2022.

We congratulate Dr. Maria Santacà on her accomplishment. We would like to take this opportunity to thank all the applicants for submitting their diverse and fascinating range of research topics, as well as the Award Committee for voting and helping with this award.

Prof. Dr. Clive J. C. Phillips
