Dear Colleagues,

As the Editor-in-Chief of *Antibiotics*, it is my great pleasure to announce the winner of the *Antibiotics* 2021 Ph.D. Thesis Award. This prize was aimed to be granted to a Ph.D. student or a doctor who has produced a highly anticipated academic potential thesis.

2021 PHD THESIS AWARD WINNER

The award has been granted to:

“Design & Synthesis of Peptidomimetics as Toolbox to Probe Emerging Antimicrobial and Anticancer Strategies” By Rosa Bellavita, Department of Pharmacy, University of Naples, Federico II., Naples, Italy.

The winner will receive CHF 1000, an electronic certificate, and the opportunity to publish a free paper in *Antibiotics* in 2022.

On behalf of the evaluation committee, I congratulate Dr. Rosa Bellavita on her accomplishments. We would like to take this opportunity to thank all the nominated research groups of the above exceptional thesis for their contributions to *Antibiotics*, and thank the Award Committee for voting and helping with this award.
