Dr. Sandra Franco

Center of Physics of the Universities of Minho and Porto, School of Sciences, University of Minho, 4710-057 Braga, Portugal

Deadline for manuscript submissions:

31 December 2024

Message from the Guest Editors

Dear Colleagues,

The Sixth International Conference on Applications of Optics and Photonics, AOP2024, will be held in Aveiro (Portugal), 16–29 July, 2024, organized by the Portuguese Society for Optics and Photonics. Open to contributions in all domains of optics and photonics and application fields, with this conference, we expect to review the state-of-the-art in these subjects and to foresee and discuss the future of research in optics and photonics. A large number of plenary and keynote lectures by world-renowned researchers in all fields of optics and photonics will set the quality standards of a varied and exciting scientific program.

The Special Issue will showcase a selection of revised expanded and improved versions of papers submitted and accepted at the AOP2024 conference. We warmly invite researchers to submit their contributions, both original research articles and review papers, to this Special Issue. Works will be considered on topics in any and all fields of optics. Works of an interdisciplinary nature are particularly welcomed.

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Author Benefits

Open Access:— free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Engineering, Multidisciplinary*) / CiteScore - Q1 (*General Engineering*)
