Deadline for manuscript
submissions:

closed (30 September 2018)

Message from the Guest Editors

Dear Colleagues,

This Special Issue on "Selected Papers from IUMRS-ICEM 2018" is expected to select excellent papers presented at IUMRS-ICEM 2018 on electronic materials, 2D materials, soft electronics, functional materials, energy and energy storage, bio-engineering, and emerging advanced materials.

We cordially invite researchers from the conference who would like to publish their original research articles in this Special Issue. Manuscripts are expected to be submitted through the online system at <http://susy.mdpi.com>, choosing journal "Applied Sciences" and Special Issue "Selected Papers from IUMRS-ICEM 2018". First-time users are required to register themselves before submitting.

Prof. Dr. Sarah Eunkyung Kim

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Engineering, Multidisciplinary*) / CiteScore - Q1 (*General Engineering*)
