

# *axioms*

Dear Colleague,

As Editor-in-Chief of the open access journal *Axioms*. I am pleased to announce the winner of the 2017 *Axioms* Travel Awards.

Travel Award is granted to Hao Shen, a postdoctoral student in Department of Mathematics at Columbia University.

Hao Shen has been working in the field of stochastic partial differential equations. His recent research mainly focuses on renormalization group methods. He will give a talk about “A central limit theorem for the KPZ equation” at the 2018 IMS Annual Meeting / 12th International Vilnius Conference on Probability Theory and Mathematical Statistics.

Prof. Humberto Bustince  
Editor-in-Chief

## 2017 TRAVEL AWARD WINNER

*Axioms* (ISSN 2075-1680) is an international journal of mathematics, mathematical logic and mathematical physics.

*Axioms* maintains rigorous peer-review and a rapid publication process. 22 days from submission to first decision; 4 days from acceptance to publication. Please find more information on *Axioms* here: <http://www.mdpi.com/journal/axioms>
