

biomedicines

Dear Colleagues,

On behalf of the Evaluation Committee, I am pleased to announce the winner of the *Biomedicines* 2017 Travel Award,

Daeha Joung, a Postdoctoral Research Associate in the Mechanical Engineering Department, The University of Minnesota, USA, who will be supported with 800 Swiss Francs towards his travel expenses to attend an academic conference in 2017. His research focuses on 3D printing for spinal cord injury repair.

We would like to thank all the applicants for submitting the diverse and fascinating range of research topics. Please join me in congratulating Dr. Joung on his award!

Prof. Dr. Shaker A. Mousa
Editor-in-Chief of *Biomedicines*

2017 TRAVEL AWARD WINNER

Biomedicines is an open access journal devoted to research of naturally driven biomedicines, pharmaceuticals, and biopharmaceutical products. The journal is indexed by ESCI (Web of Science), PubMed and Scopus.
