In 2020, *Biomolecules* will celebrate its 10th anniversary, having been launched by MDPI in 2011. During these 10 years, *Biomolecules* has published more than 2600 papers from more than 5000 authors.

In order to celebrate the anniversary, 'Anniversary Special Issues' of *Biomolecules* will be created this year. We welcome authors from all over the world to publish their papers in these Special Issues.

In recognition of our authors' support, *Biomolecules* is pleased to announce that the eight high-quality papers published in the 'Anniversary Special Issues' in 2020 will be granted the "*Biomolecules* Best Paper Awards for Anniversary Special Issues".

2020 BEST PAPER AWARDS FOR ANNIVERSARY SPECIAL ISSUES

Each award nominee will be assessed on her/his paper's originality, quality, and contribution to the field by the Evaluation Committee. Prizes will be awarded as follows:

- First Prize: one winner will receive 1000 CHF and a waiver to publish in *Biomolecules*.
- Second Prize: two winners will each receive an 800 CHF prize and a 500 CHF voucher to publish in *Biomolecules*.
- Third Prize: five winners will each receive a 500 CHF prize and a 300 CHF voucher to publish in *Biomolecules*.

The discount/waiver will be eligible for 1 year.

All winners will additionally receive a certificate.

The winners will be announced by 15 December 2021.
