Dear Colleagues,

We are pleased to announce the winner of the *Biosensors* 2021 Travel Awards.

The Evaluation Committee was very impressed with the high quality of the work presented for consideration. After careful evaluation, we can now announce that the award has been granted to Ms. Mengdi Bao, a Ph.D. student from the Rochester Institute of Technology, and Dr. Yichi Su, a post-doctoral fellow from the School of Medicine, Stanford University.

2021 TRAVEL AWARD WINNERS

Both of them will receive 800 Swiss Francs, which they can use to attend academic conferences in 2021.

We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, we congratulate the winners on their accomplishments.

Kind regards,
Biosensors Editorial Office
