Dear Colleagues,

On behalf of the award committee, it is our pleasure to announce the winners of the *Biosensors* 2022 Travel Awards.

The awards have been granted to Dr. Giacomo Valle, a postdoctoral researcher in the Laboratory for Neuroengineering, Department of Health Sciences and Technology, Institute for Robotics and Intelligent Systems, ETH Zurich, Switzerland, as well as Dr. Mahmoud Amouzadeh Tabrizi, a postdoctoral researcher in the Electronic Technology Department, Universidad Carlos III de Madrid (UC3M), Madrid, Spain.

2022 TRAVEL AWARD WINNERS

With the numerous high-quality applicants considered for this award, there were challenges faced in the evaluation process and in making the final decision. We would like to thank all the applicants for submitting diverse and fascinating range of research topics. On behalf of the assessment committee, we congratulate the winners on their accomplishments.

Kind regards,
Biosensors Editorial Office
