

brain sciences

Dear Colleagues,

We are pleased to announce the winners of the *Brain Sciences* 2021 Best Cover Award. In total, 12 cover stories published in 2021 in *Brain Sciences* were considered for these awards. The winners are as follows:

2021 BEST COVER AWARD WINNERS

Brain Sciences, Volume 11, Issue 4 (April 2021)

Brain Molecular Connectivity in Neurodegenerative Conditions
(Doi: 10.3390/brainsci11040433)

Brain Sciences, Volume 11, Issue 7 (July 2021)

Mapping of Motor Function with Neuronavigated Transcranial Magnetic Stimulation: A Review on Clinical Application in Brain Tumors and Methods for Ensuring Feasible Accuracy
(Doi: 10.3390/brainsci11070897)

The winners of the *Brain Sciences* 2021 Best Cover Award, in no particular order, will receive CHF 100 each and be able to publish one paper free of charge by 31 December 2023.

Congratulations to the winners for their excellent research!
