

Dear Colleagues,

As Editor-in-Chief of *Buildings*, I am pleased to announce that the winner of the 2018 *Buildings* Travel Award is:

Sujith Mangalathu, a Postdoctoral Fellow at University of California, Los Angeles, whose research focuses on the “Big data analytics for sustainable and resilient infrastructure systems”. A presentation regarding to “Failure-dependent Shear Strength Model for RC Beam Column Joints using Machine Learning Techniques” will be made by him at a conference in 2018.

On behalf of the *Buildings* team, I would like to congratulate Dr. Sujith Mangalathu for all his achievements!
