Dear Authors,

We are pleased to announce the winners of the 2017 *Buildings* Best Paper Awards. Four articles were selected by the Evaluation Committee according to their originality and significance as well as citation and download rates in 2019 (Web of Science). The award recipients will each receive a certificate and an invitation to publish a paper in *Buildings* free of charge, after the normal peer review procedure. Each paper will additionally receive a bonus based on the award class. The winners are listed as follows:
