Dear Colleagues,

For the *Catalysts* Outstanding Reviewer Awards 2019, together with a scientific evaluation committee of experts, we selected the following exceptional applicants as the winners of the *Catalysts* Outstanding Reviewer Awards 2019:

**Enrico Catizzone**, a post-doctoral researcher at Italian National Agency for New Technologies, Energy and Sustainable Economic Development (ENEA), Research Centre of Trisaia.

**Marco Martino**, a post-doctoral fellow at University of Salerno.

**Piotr Kaminski**, a post-doctoral researcher at Adam Mickiewicz University.

**Devaiah Damma**, a post-doctoral fellow at University of Cincinnati.

Each of them will be granted **500 CHF** and a certificate.

## 2019 CATALYSTS OUTSTANDING REVIEWER AWARDS

# WINNERS

Congratulations to all of them on their excellent reviews and well-earned awards! The *Catalysts* Editorial Board and Editorial Team would like to acknowledge all reviewers who have generously dedicated their time and effort to reviewing manuscripts submitted to *Catalysts*. It is because of their outstanding contributions that the high scientific quality of the journal and quick turnaround are maintained.
