Dear Colleagues,

As the Editor-in-Chief of *Catalysts*, I am pleased to announce the winner of the *Catalysts* 2022 Travel Award.

# 2022 TRAVEL AWARD WINNER

The award has been granted to Dr. Shiva Mohajernia, who is a post-doctoral fellow in the Department of Chemistry and Biology at the University of Siegen, Germany.

Due to the number of high-quality applicants, the evaluation process and final decision were challenging. We would like to extend our gratitude to all the applicants for submitting a diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winner on her accomplishments.
