Dear Colleagues,

As Editor-in-Chief of *Cells*, I am pleased to announce the winners of the 2020 Travel Award sponsored by *Cells*.

2020 CELLS TRAVEL AWARD WINNERS

The awards have been granted to **Mr. Daniel R. Fox**, a Ph.D. student at the John Curtin School of Medical Research, Australian National University, Canberra, Australia; and **Mr. Zsolt Lakatos**, a Ph.D. student at Eötvös Loránd University, Budapest, Hungary.

With so many high quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their work, collectively covering a diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winners on their accomplishments.
