

colloids and interfaces

Dr. Malinda Salim

Dr. Zhe Chen

Dear Colleagues,

As Editor-in-Chief of *Colloids and Interfaces*, I am pleased to announce the **two winners** of the 2020 Travel Awards sponsored by *Colloids and Interfaces*.

The awards were granted to **Dr. Malinda Salim**, research fellow of the Drug Delivery Disposition and Dynamics, Monash Institute of Pharmaceutical Sciences, Australia; and **Dr. Zhe Chen**, postdoctoral researcher of Pennsylvania State University. The award recipients will receive **500 Swiss Francs each** to support attendance at any academic conference in 2020.

The research interests of the awardees are presented below:

- **Dr. Malinda Salim:** Milk, lipids, colloids, digestion, oral drug delivery, poorly water-soluble.
- **Dr. Zhe Chen:** Tribology, surface science, 2D materials, and lubricants.

2020 TRAVEL AWARDS WINNERS

I would like to congratulate the winners and thank the members of the committee for their excellent work in selecting the winners from such a large number of excellent candidate profiles.
