2022 OUTSTANDING REVIEWER AWARD
WINNERS

Dear Colleagues,

We are pleased to announce the winners of the *Diversity* 2022 Outstanding Reviewer Award. The *Diversity* Editorial Board and Editorial Team would like to gratefully acknowledge the time and energy dedicated by reviewers in checking the manuscripts submitted to *Diversity*. It is due to their efforts that the high quality and efficiency of the journal are maintained.

Dr. Corrado Battisti

“Torre Flavia” LTER (Long Term Ecological Research) Station, Città Metropolitana di Roma Capitale, Rome, Italy.

Research Interests: quantitative ecology; biogeography; problem solving in wildlife management; wetland ecology and management; habitat fragmentation and ecological network planning.

Dr. Emilia Grzędzicka

Institute of Systematics and Evolution of Animals of the Polish Academy of Sciences, Krakow, Poland.

Research Interests: conservation biology; landscape ecology; community ecology; birds; biological invasions; evolutionary ecology.

Dr. Vasilios Liordos

Department of Forestry and Natural Environment, International Hellenic University, Themi, Greece.

Research Interests: wildlife ecology; biology and management; human–wildlife coexistence; natural and modified habitats; ornithology; conservation conflicts; biological invasions; population dynamics; spatial ecology; environmental monitoring.

Dr. Daniel Stec

Department of Invertebrate Evolution, Krakow, Poland.

Research Interests: taxonomy, phylogeny and biology of Tardigrada; DNA taxonomy and phylogenetic methods; meiofauna; evolutionary biology; molecular ecology; biology of the honey bee and beekeeping.

Dr. Igor Zelnik

Department of biology, University of Ljubljana, Ljubljana, Slovenia.

Research Interests: biodiversity of aquatic ecosystems; wetlands; macrophytes; riparian zones; rivers; ponds; marshes; diatoms.

The Prize for Each Winner:

- An opportunity to publish a paper free of charge in *Diversity* in 2023 after peer review;
- A certificate.
