Dear Colleagues,

As the Editor-in-Chief of *Energies*, it is my great pleasure to announce the winner of the *Energies* 2022 Best PhD Thesis Award. This award is for a PhD student or recently qualified PhD who has produced a highly anticipated thesis with great academic potential.

2022 BEST PHD THESIS AWARD WINNER

The award has been granted to the following:

“Nanofluid Impingement Jet Heat Transfer”

By Javad Mohammadpour, School of Engineering, Macquarie University, Australia

The winner will receive CHF 500, a certificate, and the chance to publish a paper free of charge after peer review in *Energies* in 2023.

On behalf of the Evaluation Committee, I congratulate the winner on their accomplishments. We would like to take this opportunity to thank all of the applicants for submitting their exceptional theses, and thank the Award Committee for voting on as well as helping with this award.

Prof. Dr. Enrico Sciubba
Editor-in-Chief, *Energies*
