Dear Colleagues,

As Editor-in-Chief of *Energies*, I am pleased to announce the winners of the *Energies* 2023 Travel Award. The award has been granted to: Dr. Roberta De Robbio, who is a post-doctoral fellow at University of Naples Federico II, Italy; and Ms. Monika Sandelic, a PhD student at Aalborg University, Denmark.

2023 TRAVEL AWARD WINNERS

As the awardees, they will each receive an honorarium of CHF 800, financial support to attend an international conference in the field of energy and related research to be held in 2023, and an electronic certificate.

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winners on their accomplishments.

Prof. Dr. Enrico Sciubba
