Prof. Dr. Hun-Chul Seo

School of Electronic & Electrical
Engineering, Yonam Institute of
Technology, Jinju-si 52821, Korea

Deadline for manuscript
submissions:
closed (31 October 2022)

Message from the Guest Editors

Dear Colleagues,

This Special Issue of *Energies* will collect selected papers presented at the 9th International Conference on Advanced Power System Automation & Protection (APAP2021), which will be held on October 11–14, 2021, in Jeju, South Korea. APAP2021 seeks to pursue the long tradition of APAP conferences to bring together engineers and researchers from various fields of interest including automation, protection, and control in the power system. The conference APAP 2021 has the motto “Towards Sustainability of Safe and Flexible Energy” and will deal in particular with research topics concerning the power area.

Prof. Dr. Jae Woong Shim

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, RePEc, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: CiteScore - Q1 (*Engineering (miscellaneous)*)
