Message from the Guest Editor

Dear Colleagues,

This Special Issue aims to collect high-quality review papers in all fields of Probiotic Strains and Fermentation. We encourage researchers from related fields to contribute review papers highlighting the latest developments in Probiotic Strains and Fermentation (including the aspects of the discovery, a functional and safety evaluation, fermentation technologies, and the application of novel probiotic strains) or to invite relevant experts and colleagues to do so. Full-length, comprehensive reviews are preferred.

This Special Issue aims to share these scientific findings as widely as possible.

Message from the Editor-in-Chief

Welcome to a new open access journal, Fermentation, which meets the growing need for a high quality peerreviewed international journal with easy access to all researchers globally. We hope that you will share our enthusiasm for this new journal and look forward to working with you to make Fermentation a leader in its field. Your contributions are vital for the success of this new journal. Proposals for editing a special issue for a particular topical area are always welcome.

Author Benefits

Open Access:— free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubAg, FSTA, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Biotechnology & Applied Microbiology*) / CiteScore - Q2 (*Plant Science*)
