

fibers

We are pleased to announce that the following reviewer has been selected as the winner of the *Fibers* 2020 Outstanding Reviewer Award. This award is in appreciation of the high number, timeliness, and quality of reviews in 2020. The winner will receive a certificate, CHF 500, and an opportunity to publish a paper free of charge in 2021.

Constantin Chalioris

Reinforced Concrete Lab., Department of Civil Engineering, Structural Engineering Division, Democritus University of Thrace, Greece.

Research Interest: reinforced concrete (RC); testing; repair; strengthening; fiber-reinforced polymer (FRP); self-compacting concrete (SCC); steel fiber-reinforced concrete (SFRC); damage detection; structural health monitoring (SHM); piezoelectric sensors.

2020 OUTSTANDING REVIEWER AWARD

WINNER

We want to extend our congratulations to the winner for his excellent reviews and well-earned award!

The *Fibers* Editorial Board and Editorial Team would like to acknowledge all reviewers who have generously dedicated their time and efforts toward reviewing manuscripts submitted to *Fibers*. Due to their outstanding contributions, the high scientific quality of the journal and fast article processing are constantly maintained.
