

fibers

We are pleased to announce the winners of the *Fibers* 2020 Best Paper Award. All papers published in 2020 in *Fibers* were considered for the award. After a thorough evaluation of the originality and significance of the papers, citations, and downloads, the two winning papers, which were nominated by the Editor-in-Chief, Prof. Dr. Martin J. D. Clift, have been selected.

Article

U-Jacketing Applications of Fiber-Reinforced Polymers in Reinforced Concrete T-Beams against Shear—Tests and Design

by Constantin E. Chaliotis, Adamantis G. Zapris and Chris G. Karayannis

Fibers 2020, 8(2), 13; <https://doi.org/10.3390/fib8020013>

2020 BEST PAPER AWARD WINNERS

On behalf of the Prize Awarding Committee, we would like to congratulate the authors of the above manuscripts, and we would also like to thank Dr. Martin J. D. Clift for his excellent work in the hard task of selecting a winner from such a large number of excellent candidate profiles. We are very proud to publish such high-quality papers, and we will continue to hold the *Fibers* 2020 Best Paper Awards. We wish all scholars great success in their careers.

We wish to extend our sincerest gratitude for your valuable contribution to the journal. We look forward to further collaboration with you.
