

*fishes*

Dear Colleagues,

On behalf of the Travel Award 2018 Committee, it is our pleasure to announce that the winner of the 2018 *Fishes* Travel Award, is **Dr. Elvis Genbo Xu**.

**Elvis Genbo Xu** holds a PhD in Environmental Sciences and Ecology in the field of environmental risk assessment with special reference to the impacts of endocrine disruptors. Dr. Genbo has been selected from among the nearly 140 excellent nominees.

# 2018 TRAVEL AWARDS WINNER

He is currently working as a postdoctoral researcher at the Department of Chemical Engineering, McGill University, Canada, where he continues his toxicology studies. So far he has authored 45 peer reviewed manuscripts and two patents. On behalf of *Fishes*, he will be awarded **800 Swiss Francs** to attend the 2018 SETAC Asia-Pacific Conference, that will be held September 16–19 2018 in Daegu, South Korea. There, he will present his work on “Integration of microRNA and mRNA in early life stages of mahi after exposure to Deepwater Horizon oil”.
