### Message from the Guest Editor

The aim and scope of the Special Issue on Wood and Flavor are to provide a forum for the exchange of information on new and significant research in viticulture, enology, and related fields, in particular, on the influence of wood in the flavor of certain beverages around the world. This includes research or technical papers presenting new and topical information in viticulture, enology, and the related fields. Additionally, review articles are encouraged, as they provide excellent summaries of the research areas to our research and practitioner readers.

### Keywords

- Trees and wood
- Wood taste
- Wood aroma
