

genes

Dear Colleagues,

We are pleased to announce the winners of the Genes 2020 Best Poster Awards IECGE2020. All posters selected from the 1st International Electronic Conference on Genes (IECGE2020) (<https://sciforum.net/conference/IECGE>) were considered for the award. All attendees who complete a poster presentation will be eligible for this award. The Scientific Committee will judge the presentation clarity and scientific significance of the work presented. Two posters were selected as the winners:

Determination of expression signature and proportion of mtDNA in plasma fractions in patients with Renal Cell Carcinoma

By Elena Arance et al.

Proceedings 2021, 76, 9. <https://doi.org/10.3390/IECGE-07148>

Presented Poster: NGS screening for identification of novel pexophagy-related mutant in *Arabidopsis thaliana*

By Katarzyna Sierko et al.

Proceedings 2021, 76, 7. <https://doi.org/10.3390/IECGE-07155>
