### Message from the Guest Editor

Dear Colleagues,

This Special Issue aims to systematize and expand the knowledge of quality of life in chronic diseases, as well as factors that increase quality of life and barriers to achieving treatment benefits.

This Special Issue is open for submission from any interested individuals. It is expected that contributions will include original research papers, authoritative and up-to-date reviews, and commentaries on the following topics and areas: health, quality of life and factors affecting quality of life and the patient's outcome.

I look forward to receiving your contributions.

Dr. Natalia Świątoniowska-Lonc
