Message from the Collection Editors

Dear Colleagues,

We plan to publish a Special Issue on "Feature Papers" in order to give a broad overview of our area. We are looking for top-quality papers which will be published free of charge in Open Access form. Authors will be the editorial board members and researchers invited by the editorial office and the Editor-in-Chief. Papers could be both long research papers and papers describing the current state-of-the-art in one of the areas covered by the journal.
