Mendes**

**Dr. Leandro Pereira Dias**

**Dr. Renato Lopes Gil**

**Dr. Fernando Tavares**

Deadline for manuscript  
submissions:

**25 October 2024**

### Message from the Guest Editors

Dear Colleagues,

We are pleased to invite you to submit your most recent works to our Special Issue entitled “The Diagnosis, Management, and Epidemiology of Plant Diseases” which we intend to be an outlet for authors to share their most recent findings on the epidemiology, diagnostics, and management of plant diseases.

This Special Issue aims to present state-of-the-art research on the development of diagnostic tools for plant diseases with laboratory and or field application, monitoring tools, sustainable control measures (e.g., essential oils, antagonistic organisms, antimicrobial peptides, bacteriophages, etc.), and the ecology and epidemiology of plant diseases of any etiology.

In this Special Issue, recent original research articles, mini-reviews, and reviews are welcome. We look forward to receiving your contributions.

an Open Access Journal by MDPI

## Message from the Editor-in-Chief

Horticultural plants and their products provide sustenance, health, and beauty. A confluence of factors is putting increasing pressure on horticultural production to evolve, and innovative research is addressing these challenges. *Horticulturae* provides a venue to communicate research results in a rapid manner with open access, allowing everyone the opportunity to stay abreast of leading research addressing horticulture. I invite you to consider publishing the results of your research in this high quality, peer-reviewed journal.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), PubAg, AGRIS, FSTA, and other databases.

**Journal Rank:** JCR - Q1 (*Horticulture*) / CiteScore - Q2 (*Horticulture*)
