

*hydrology*

We are pleased to announce the winner of the *Hydrology* Best Paper Award for 2020. Nominations were made by the Editorial Board from all papers published in *Hydrology* in 2018. After a review process by the Editorial Board, the following research article was chosen as the winner:

**An Operational Method for Flood Directive Implementation in Ungauged Urban Areas** ([10.3390/hydrology5020024](https://doi.org/10.3390/hydrology5020024))

## 2020 BEST PAPER AWARD WINNER

Congratulations to the authors, who will receive a cash bonus (500 CHF) and an offer to publish a paper free of charge in *Hydrology*, subject to the normal peer review process.
